

# POLY FILMS

Waldo & Associates proudly distributes Berry Plastics' greenhouse poly films. Orders placed by May 1st and shipped between August and October will be fulfilled by Waldo & Associates. All orders for the poly film placed during other times of the year, will be fulfilled and shipped by Berry Plastics.

## Tufflite™ I

Our clear nursery film is a one year warranted film once installed and used as directed. This film is available in 3 mil to 6 mil in various widths and lengths.

## Tufflite™ IV

This high-quality four-year 6 mil greenhouse covering is available in various widths and lengths in standard four year and well as Tufflite Dripless (anti-condensate) and Tufflite IR (infrared). All products offer industry high clarity to allow the most light possible.

## Co-Poly

Our Co-Poly is a single season over-wintering film available in white, and sold in standard 70% opacity in various widths and lengths.

Call for a drop ship quote—freight paid over 3,000lbs.

Contact your Waldo & Associates Regional Account Manager or call 1-800-468-4011 for current pricing.
