

# 15' & 20'' E-ZY GROWER WINTER CHALET

**E-zy Cover Topsoil, Mulch and Salt Bin**

*Chalet w/ Concrete Blocks.  
Call for info & pricing.*

The E-zy Grower Winter Chalet is designed to protect your valuable nursery stock, perennials, roses, bedding plants and more from snow loads, strong winds and other bad weather. The E-zy Grower Winter Chalet is well engineered for long term economic overwintering, storage and growing space. The 15' Winter Chalet bow is made of a single piece of curved steel. While the 20' Winter Chalet bow uses two pieces of curved steel, one side swedged to fit into the other.
